

# MORNINGSIDE COLLEGE

## Your College Checklist

Are you starting to think about life after high school? If college is one of your options, it's never too early to begin looking. Here are some things to keep in mind while you're still in high school.

- Look at college Web sites (Morningside's Web site is: [www.morningside.edu](http://www.morningside.edu))
- Start going to college fairs
- Attend events on college campuses (plays, concerts, sporting events, visit days)
- Plan your class schedule with college in mind
- Study hard and do well in school (grades will count toward college)
- Get involved in co-curricular activities
- Volunteer in your community
- Explore careers and job opportunities in those careers
